Resolutions of Respect.
Whereas it has pleased an all wise
Creator to remove from our midst our
brother, George W. DeBord, therefore
be it resolved
1st, That Crab Orchard Lodge No.
108, I. O. O. F., has suffered an irrepa-
rable loss; that the community has
lost a valuable citizen, who by his
courtly manners, genial disposition and
intrinsic worth has made every one his
friend. The family has lost a loving
and indulgent husband and father.
2nd, That we extend to the family
our sympathy in their bereavement.
3rd, That a copy of these resolutions
be spread on the minutes, a copy sent
to the family and published in the IN-
TERIOR JOURNAL.
4th, That the usual badge of mourn-
ing be worn for 30 days.

The biased reports again sent out
from Jackson against the Hargises, and
eagerly copied by four-fifths of the
press of the State, shows that apout
that percentage of the newspaper
fraternity is down on the Hargises and
ready to condemn on the slightest
provocation. We believe these men
have been hounded too much by the
press of Kentucky, and think it would
be excellent plan for the newspapers to
at least give them a fair consideration
before publishing the hundreds of out-
rageous lies circulated by biased re-
porters. We have personally known
these men, and cannot believe them half
as bad as they are painted by the
average newspaper correspondent,
whose greatest and only desire is to
send out something sensational.—Dan-
ville Advocate.
Cured Of Bright's Disease.
George A. Sherman, Lisbon Red
Mills, Lawrence county, N. Y., writes:
"I had kidney disease for many years
and had been treated by physicians
12 years; had taken a well-known kid-
ney medicine and other remedies that
were recommended but got no relief
until I began using Foley's Kidney
Cure. The first half bottle relieved
me and four bottles cured me of this
terrible disease. Before I began tak-
ing Foley's Kidney Cure I had to make
water about every 15 minutes, day and
night, and passed a brick-dust sub-
stance, and sometimes a slimy sub-
stance. I believe I would have died
if I had not taken Foley's Kidney
Cure." G. L. Penny.
Will Cure Consumption.
A. A. Herren, Finch, Ark., writes:
"Foley's Honey and Tar is the best
preparation for coughs, colds and lung
trouble. I know that it has cured con-
sumption in the first stages." You
never heard of any one using Foley's
Honey and Tar and not being satis-
fied. G. L. Penny.

Cuban Diarrhoea.
U. S. soldiers who served in Cuba
during the Spanish war know what
this disease is, and that ordinary re-
medies have little more effect than so
much water. Cuban diarrhoea is al-
most as severe and dangerous as a
mild attack of cholera. There is one
remedy, however, that can always be
depended upon as will be seen by the
following certificate from Mrs. Minnie
Jacobs, of Houston, Texas: "I here-
by certify that Chamberlain's Colic,
Cholera and Diarrhoea Remedy cured
my husband of a severe attack of Cu-
ban diarrhoea, which he brought home
from Cuba. We had several doctors,
but they did him no good. One bottle
of this remedy cured him, as our
neighbors will testify. I thank God for
so valuable a medicine." For sale by
